According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EC Declaration of Conformity and CE marking according to the Low Voltage Directive 2014/35/EU.

This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

This certificate replaces previously issued ref. No. SE-S-2100389 dated 4 May 2021. A new certificate has been issued on account of adding A15 to EN 60335-1:2012 and changing the customer's name from PAX AB to Volution Sweden AB.
