APPENDIX:

Reference No. SE-S-2002539R1

According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EC Declaration of Conformity and CE marking according to the Low Voltage Directive 2014/35/EU.

This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

The instruction for use shall be written in a language acceptable according to the national regulation in the country where the product is to be used.

This certificate replaces previously issued ref. No. SE-S-2002539 dated 3 November 2020. A new certificate has been issued on account of change of the applicant and factory, update of standard and addition of alternative components.
