29-1014	Electric element with Momento™, round, 175 W, polished	Accessory	Zinc	175 W	7350020910142
29-1015	Electric element with Momento™, round, 200 W, polished	Accessory	Zinc	200 W	7350020910159
29-1016	Electric element with Momento™, round, 225 W, polished	Accessory	Zinc	225 W	7350020910166
29-1017	Electric element with Momento™, round, 250 W, polished	Accessory	Zinc	250 W	7350020910173
29-1018	Electric element with Momento™, round, 300 W, polished	Accessory	Zinc	300 W	7350020910180
29-1019	Electric element with Momento™, round, 450 W, polished	Accessory	Zinc	450 W	7350020910197
29-1020	Electric element with Momento™, round, 75 W, borstad	Accessory	Zinc	75 W	7350020910203
29-1021	Electric element with Momento™, round, 100 W, borstad	Accessory	Zinc	100 W	7350020910210
29-1022	Electric element with Momento™, round, 125 W, borstad	Accessory	Zinc	125 W	7350020910227
29-1023	Electric element with Momento™, round, 150 W, borstad	Accessory	Zinc	150 W	7350020910234
29-1024	Electric element with Momento™, round, 175 W, borstad	Accessory	Zinc	175 W	7350020910241
29-1025	Electric element with Momento™, round, 200 W, borstad	Accessory	Zinc	200 W	7350020910258
29-1026	Electric element with Momento™, round, 225 W, borstad	Accessory	Zinc	225 W	7350020910265
29-1027	Electric element with Momento™, round, 250 W, borstad	Accessory	Zinc	250 W	7350020910272
29-1028	Electric element with Momento™, round, 300 W, borstad	Accessory	Zinc	300 W	7350020910289
29-1029	Electric element with Momento™, round, 450 W, borstad	Accessory	Zinc	450 W	7350020910296
325001	Electric element with Momento™, square, 75 W, polished	Accessory	Zinc	75 W	7393493250018
325002	Electric element with Momento™, square, 100 W, polished	Accessory	Zinc	100 W	7393493250025
325004	Electric element with Momento™, square, 150 W, polished	Accessory	Zinc	150 W	7393493250049
325005	Electric element with Momento™, square, 175 W, polished	Accessory	Zinc	175 W	7393493250056
325006	Electric element with Momento™, square, 200 W, polished	Accessory	Zinc	200 W	7393493250063
325007	Electric element with Momento™, square, 225 W, polished	Accessory	Zinc	225 W	7393493250070
325008	Electric element with Momento™, square, 250 W, polished	Accessory	Zinc	250 W	7393493250087
325009	Electric element with Momento™, square, 300 W, polished	Accessory	Zinc	300 W	7393493250094
325010	Electric element with Momento™, square, 450 W, polished	Accessory	Zinc	450 W	7393493250100

Radiator valves for combined towel warmers

Item no.	Model	Material	One-/two-pipe system	Connection	EAN code
29-1051	RFA 75-400 radiator valve with dial	Brass	Both one and two	15 mm copper	7350020910517
8332-1	Radiator valve, square, straight, gloss	Brass	Only two	15 mm copper	7391477833219
8332-2	Radiator valve, square, straight, brushed	Brass	Only two	15 mm copper	7391477833226
8332-3	Radiator valve, square, angled, gloss	Brass	Only two	15 mm copper	7391477833233
8332-4	Radiator valve, square, angled, brushed	Brass	Only two	15 mm copper	7391477833240
8332-5	Radiator valve, round, straight, gloss	Brass	Both one and two	15 mm copper	7391477833257
8332-6	Radiator valve, round, straight, brushed	Brass	Both one and two	15 mm copper	7391477833264
8332-7	Radiator valve, round, angled, gloss	Brass	Both one and two	15 mm copper	7391477833271
8332-8	Radiator valve, round, angled, brushed	Brass	Both one and two	15 mm copper	7391477833288
8332-9	Radiator valve, corner, gloss	Brass	Only two	15 mm copper	7391477833295
8333-1	Radiator valve, corner, brushed	Brass	Only two	15 mm copper	7391477833318
8333-2	Radiator valve, cylindrical, gloss	Brass	Only two	15 mm copper	7391477833325
8333-3	Radiator valve, cylindrical, brushed	Brass	Only two	15 mm copper	7391477833332
8333-4	Radiator valve, minimal, cross, gloss	Brass	Only two	15 mm copper	7391477833349

Water-heated towel warmers

 Stainless steel

Item no.	Model	Material	Working pressure	Output *	Width mm	Height mm	EAN code
24-5300	Nisse 480x680, chrome	Stainless steel	15 bar	-	530	720	7391477453004
24-5301	Nisse 500x870, chrome	Stainless steel	15 bar	-	540	910	7391477453011
